Quality Creates Value Detail Makes Difference

AJ15

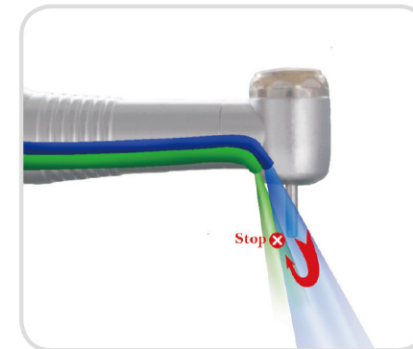

Safe Efficient Healthy Comfortable

AJ15 is one of the high class dental chair unit, with exquisite technology, high quality materials. our concept is "Safety are sanitation ensurance, Efficient four hand operation, Doctor healthy working patient feeling comfortable."

Safety and sanitation ensurance

During the treatment,there maybe with rariety of pathogens in patients saliva and blood.So disinfecting and insulating is important for both doctors and patients.

Handpiece anti suction system
To prevent across infection in the pipeline and ultimately cause cross infection between patients.

Suction delay off system
Delay 5 seconds off to ensure suction pipelines is completely emptied.

Individual clean water bottle system and disinfectant system
Reduce the maximum degree of cross infection in the pipeline and keep equipment clean.

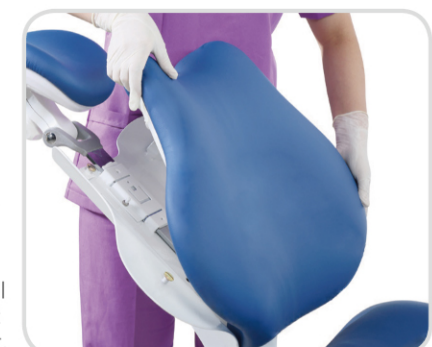

New design filter
Better filtration performance sealing against leaking, stronger suction power easy disassembling and cleaning, more durable.

Silicon pad for tray
Doctor and assistant tray can provide silicon pad, and silicon and high temperature disinfection.

Rotatable spittoon
Convenient for patient to spit, the height of the spittoon elevated designed to prevent saliva and flush splash.

Removable backrest
Cushion board use standard plastic molding process, quickly and easily installation and removal. Bottom plate use environmental protection material can prevent the mold in humid environment.

Efficient four hands operation

Compared to the traditional single doctor operation, four hands operation is a high-efficiency operation, can improve the doctor efficiency with 30% to 78% make patient much more satisfy.

Rotatable water unit
Satisfy four handed dentistry and
convenient maintenance.

Double pivot arm for
assistant table.

10 function control panel
Convenient assistant know
control of the function of
dental chair.

Large water bottle

Water bottle one switch control

Multi-function foot control
Including chair control, instrument
penal. Rinse and cup filling.

Metal suction handle with adjustable switch
Aluminum alloy material, light weight, strong
and durable.
Use switch, adjust the strength of suction.

Doctor healthy working

Close patient freely
Upper backrest design assistant
can be maximum close to to the
treatment area in the process of
treatment.

D2 Docctor' s Stool with 4 fuctions
AJAX02 dental stool has 4 functions,it
is ergonomically designed and
engineered.To fit the human body to
reduce stress and fatigue.Backrest and
stool height are both adjustable.

Sumptuous space for leg
Pear-shaped backrest not only enables
ergonomic access to oral cavity for dentists but
also makes large comfort for patients.

Harging type doctor table
Big square size,rotatable
hanger 15 function control
panel air locking system
with built in X-ray viewer

Aluminum cast water unit holder

Stable water unit
New water unit frame aluminum alloy cast design,more rigid.
Connecting component use 18mm steel plate,improve the stability to reduce shake chair.

Quality metal backrest
Cast backrest support

Water bottle one switch control

American made tubing
All internal pneumatic and water pipelines are sourced from to quality manufacturers throughout the world for their high resistance to kinking and bio film build up.

Individual air water valve

Water/Air/Power one switch on/off control system
Prevent high water pressure at night to extend pipelines life after doctor finished work.
Auto water draining system

Handpiece power stable system

European standard enclosed power supply

Standard configurations

Dental light

Deluxe dental light with sensor

Patient chair

Seamless upholstery(PU)
Ergomotion chair
Rotatable armrest
electric motor

Water unit

Rotatable water unit
Rotatable glass spittoon
HVE and Saliva ejector system
Water heater
Clean water bottle system
Desinfectant system

Delivery table

Hanging hose system with rotatable tray
Built-in X-ray viewer
2high speed handpiece tubes with fiber optic
1 electric micromotor
There way syringe 1pcs

Assistant

Multi pivot assistants arm with control board
There way syringe
Metal HVE with switch,Metal Saliva ejector

Junction box

Integral junction box
Enclosed power system
Water/Air/Power one switch control system
Auto drainage with Pressure relief valve

Foot control

Multi-function foot control

Doctor stool

Ajax D2 doctor stool with4 functions

Options

-Faro LED light(made in Italy)
